TOUK PHYSIC

MRS. JOHN CAPOZZI

Ashford, New York. "I feel it my duty to tell you what 'Fruit-a-tives' or Fruit Liver Tablets did for me.

I tried several kinds of physic for over three years; and, of course, while I took it every night my bowels would move; but as soon as I stopped taking physic, I would be constipated and would have Piles terribly.

I heard of 'Fruit-a-tives' and bought one box and took them. Now I am not troubled any more with Constipation and no more Piles. 'Fruit-a-tives' did for me what no other medicine ever did; they left no after-effects, and now I do not have to use physic.

I recommend 'Frult-a-tives' to all my friends".

Have You Dyed Your Service Overcoat Yet?

Men's styles this year call for great, roomy Ulsters and Belted Overcoats, exactly like that good, warm service coat you brought back from France. You can get splendid results in dyeing these coats a rich, handsome navy blue or a rich brown.

And if you wish to depart from the regulation military collar,

this can be done also. Even make it a dressy velvet if you like. And of course putting on new buttons, hemming the bottom, and otherwise making it look as good as many of this season's \$50.00 to \$75.00 models. And, oh, boy! what a difference in cost, for at the most but a few dollars and several days' time are needed to make this wonderful change. Considering the small cost and amid these days of high cost of living, you cannot afford to lay these coats aside. Bring 'em to me, let me fix
